

1. Thinking about the Biodiversity Council effort -  
What are the ways you may be able to leverage the  
CBC resolution for use by your organization or  
members of your constituencies?

2. Thinking about the Public AC White Paper

a. What types of messages and ideas would be  
most useful and applicable to the Water Plan?

Where do you see this being represented in the  
Water Plan?

b. To what extent might your  
organizations/constituencies want to contribute to  
the White Paper development?

c. What other ideas do you have about the White  
Paper?
